

*When you're spending lots of time away from home, a good night's sleep can be hard to find. The Wyndham Houston Medical Center is proud to recommend our PURE Rooms, as a place where you and your family can get the restorative rest you need, in an exceptionally healthy environment.*

## **PURE-LY the Facts...**

### **PURE Guestrooms**

(Air so PURE it's like breathing air on top of a mountain)

- ✓ A PURE room has been specially treated to virtually eliminate the growth of bacteria and viruses normally found in hotel rooms.
- ✓ Asthma and allergy sensitive travelers notice a refreshing difference in a PURE room compared to a standard hotel room.
- ✓ In a PURE room, the air is completely circulated at least 4 times per hour filtering out 99% of impurities found in the air.
- ✓ In a PURE room, all bedding and pillows are encased in a protective, yet comfortable covering that is mold-proof, spore-proof, hypoallergenic, dust-proof and dust mite-proof.
- ✓ A PURE room eliminates 98-99% of viruses and bacteria found in the environment
- ✓ A PURE room has no offensive or strong odor for the sensitive nose.
- ✓ A PURE room is re-certified every 6 months to ensure the room remains PURE.
- ✓ In a PURE room, the air is continuously circulated and filtered allowing the purest air available to you.
- ✓ In a PURE room, the air quality is healthier for you and your family
- ✓ In a PURE room, there is an in room air purification system that is recognized as a Class II medical device by the FDA. This filters the air around you continuously.
- ✓ A PURE room provides the freshest air giving you peace of mind and up most comfort.
- ✓ In a PURE room, you have entered a PURE-LY refreshing environment that caters to every traveler that cares about the air they breathe!

So, relax, smile, rest and breathe easy knowing you are in a PURE environment....

Enjoy your sleep and have PURE dreams.
